### **QUFA Members Opt Out of Copibec's Suit**

Please find enclosed 110 opt out forms from faculty and librarians at Queen's University in Ontario. We were alerted to the opt-out option and deadline only last Thursday, 12 October, but in very short order, as you can see, a large number of our members responded with a signed form.

This speaks to our fundamental opposition to the Copibec suit against Université Laval. As those who create the materials they purport to defend from copyright infringement, we say withdraw this suit – there is no 'class' behind the class action.
